

2468 S. St. Andrews Pl. Los Angeles CA 90018 Ph: (323)731-0641 • Fax: (323) 730-4191

DATE: July 17, 2020

TO: St. John of God Retirement and Care Center (SJGRCC) Patients/Residents, Visitors, Staff and Vendors

FROM: Administration

SUBJECT: **Coronavirus Update**

Today's update is also available on our Facebook page and at www.stjogrcc.org/news/.

There are no positive resident or patient test results to report in any of the buildings on campus. We are continuing with staff testing today in compliance with CDPH requirements and previous staff positives. Based on staff results from today's testing we could be removed from the more frequent testing protocol we are currently following. At this time only the Grande building is on the County Outbreak Protocol based on one staff positive from the previous round of testing.

We continue the routine and prescribed testing of Care Center patients in compliance with CDPH guidelines. Our ongoing processes for monitoring all patients and residents on campus continues, along with the screening of all who enter the campus.

Daily communication with the County in order to insure compliance with requirements and provide needed updates on our status continue. We have adequate levels of PPE available and all staff are following infection control guidelines to protect those they interact with, and themselves. No one on campus is showing any symptomology consistent with Covid-19.

Finally, for those of you that drop food off at the Security Gate for your loved one, we are asking for your help to insure the food gets to them at the expected meal times. Please have your items delivered between 10a-11a for lunch, and 3p-4p for dinner. Should your delivery be outside these timeframes it will still be delivered, but may not be at the expected meal time.

Please stay safe and well.
