DATE: October 16, 2020

TO: St. John of God Retirement and Care Center (SJGRCC) Patients/Residents, Visitors, Staff and Vendors

FROM: Administration

SUBJECT: **Coronavirus Update**

Today's update is also available on our Facebook page and at [www.stjogrcc.org/news/](http://www.stjogrcc.org/news/).

There are no positive resident or patient test results to report in any of the buildings on campus. No one on campus is showing any symptomology consistent with Covid-19 and all campus buildings are free to admit new patients and residents. Our processes for monitoring patients and residents on campus continues, as does screening of all who enter the campus.

Our 10/7 testing of 194 samples were all negative, except 2 staff samples which were untestable. 193 samples were collected on 10/14 and 189 have been reported negative, with 4 staff samples that were untestable.

As we have communicated over these recent months, our measures to protect patients, residents and staff have been very successful. Based on this success, we re-instituted bible study and communion services this past week.

As always, communication with the County to insure compliance with requirements and provide needed updates on our status is ongoing. We continue to have adequate levels of PPE and all staff are following infection control guidelines to protect those they interact with, and themselves.

Please stay safe and well.
